

THE GUIDE INFORMATION & ENVIRONMENT

Michel GODARD
Directeur du CREPS IDF

The REGIONAL CENTER FOR PHYSICAL EDUCATION is a French public sport institution, under the supervision of the Sports Ministry and the Ile-de-France country.

Its mission is to create the best conditions of access to the high-level sports for the talented sportswomen and men as well as to train the future coaches.

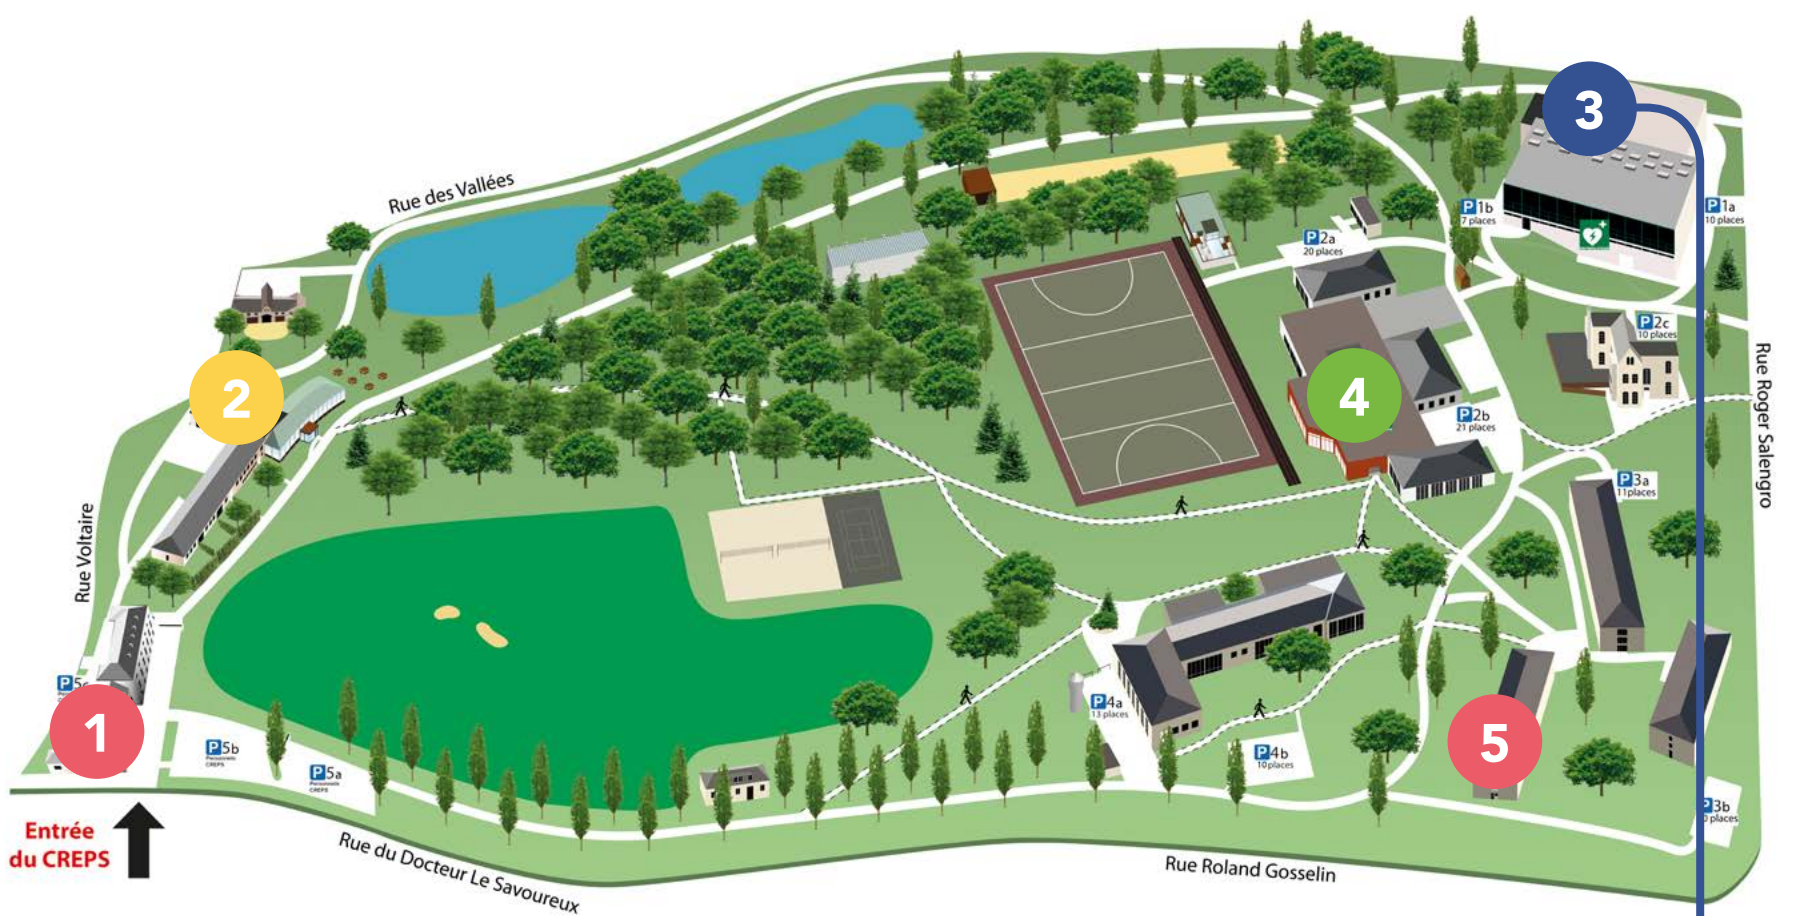

Its major objective is to prepare the women and men champions who will participate and will win medals at the 2024 Paris Olympic and Paralympic games.

Quality sports equipment's and specialized human resources are in charge of young sportswomen and men to prepare all the incoming international sports events.

This guide will help you during your stay, on site and nearby the CREPS IDF.

All the CREPS IDF 's team makes a commitment for your success.
